

## PRACTICAL INFORMATION

### Route overview

From St Magnus the Martyr, at the northern end of London Bridge in Lower Thames St, you pick up the Thames Path, diverging from it after **2.7 miles** for the Royal Foundation of St Katharine. You then walk past Limehouse Basin to join, after a further **400 yds**, the towpath alongside the Regent's Canal. You leave the canal at Victoria Park, after **1.5 miles**, walking through the park and then along the Hertford Union Canal, reaching the River Lee Navigation in a further **1.3 miles**.

You follow this waterway, reaching Lea Bridge after **1.9 miles**, and Tottenham Locks, where **the stage can be most easily divided**, after **2.2 miles**.

In another **0.7 miles** you reach Stonebridge Lock, where there is a café. Further refreshment points occur near Enfield Lock, after **5.4 miles**, and at Rammey Marsh Lock, after **0.6 miles**. Waltham Abbey is reached in a further **0.9 miles**.

### Public transport options

Setting off from central London means that this whole first stage is easily accessible by overground and/or underground **train** services. The starting point at St Magnus the Martyr is 200yds from Monument Underground station while the end of the stage, at Waltham Abbey, is 1 mile west of Waltham Cross railway station. Between the two there are stations at or near Limehouse, Victoria Park, Lea Bridge, Clapton, Tottenham Hale, Seven Sisters, Stonebridge Lock, Enfield Lock and Rammey Marsh. See also public transport map and table pp29-31.

		<b>LONDON TO WALSINGHAM CAMINO</b>
		<b>Stage 1: London to Bishops Waltham</b>
Updated 27.4.23, red text denotes amendments		In St Katharine Docks, the route passes over a footbridge between two dock basins. It is sometimes closed temporarily. If it is, notes on GPX and Tabulated Directions tell you what alternative route to take.
<b>Distance from start</b>	<b>Distance from last waypoint</b>	
	0km	From <b>St Magnus the Martyr church</b> turn right onto Lower Thames Street and almost immediately right again to follow a sign for the Thames Path and walk down to the Thames, going to the right of the building, as indicated by the blue direction sign.
140yds/130m	140yds/130m	Turn left at the river to walk downriver along the Thames Path until you reach the Tower of London.
880yds/800m	730yds/670m	Reach the Tower of London. Skirt the Tower by turning left, and walk up to Tower Hill. Turn right just before the road and take the footpath that skirts the northern perimeter of the Tower of London. Walk beneath Tower Bridge Rd and turn left, on St Katharine's Way, looking out for a gap on your left taking you to St Katharine Docks.
0.8miles/1.3km	550yds/500m	Turn left and walk through to St Katharine Docks, keeping the water to your right. At the far side of the dock, turn right to follow the edge of the dock to a footbridge that takes you over the water and between buildings to reach St Katharine's Way. The footbridge between the two parts of the dock is sometimes closed. If it is, retrace your steps and walk anticlockwise around the dock (keeping the water on your left) to rejoin the route just after this point.
1mile/1.7km	440yds/400m	Turn left onto St Katharine's Way. Walk until, after 100yds, you see a Thames Path sign pointing right, down to the riverside. Walk down to the riverbank and turn right to continue downstream. The path turns away from the river, and rejoins St Katharine's Way where it meets Wapping High St.

1.2miles/2km	330yds/300m	The Thames Path rejoins St Katharine's Way, where that road meets Wapping High St, turn right. There is a Thames Path sign.
2miles/3.2km	0.7miles/1.2km	Follow Wapping High St until it curves left, becoming Garnet St. Follow Garnet St for 20yds, looking out for Wapping Wall, a turning on your right. Turn right into Wapping Wall. Continue along Wapping Wall until you reach the Bascule Bridge over the water channel running into Shadwell Basin.
2.2miles/3.6km	440yds/400m	Immediately after crossing the Bascule Bridge, turn right to continue along the Thames Path. There is a Thames Path sign. Continue along the Thames Path through King Edward Memorial Park.
2.4miles/3.9km	330yds/300m	At the far side of the park, the Thames Path sign points right, the route continuing along the river bank. Continue past a large block of orange-brick flats at Free Trade Wharf until the path turns away from the river.
2.6miles/4.2km	330yds/300m	Follow the path as it turns sharp left, then sharp right and brings you to Narrow St. Turn left into Narrow St, and walk up to the junction with the A1203, Limehouse Link road. Use the crossing to the left of this junction to cross over to Butcher Row.
2.8miles/4.5km	330yds/300m	Arrive at the <b><i>Royal Foundation of St Katharine</i></b> at 2 Butcher Row, E14 8DS.
		To continue, turn right out of the Royal Foundation of St Katharine and turn almost immediately right to walk through the foundation's Yurt Cafe to emerge in Ratcliffe Ln.
2.9miles/4.7km	220yds/200m	Turn right into Ratcliffe Ln and follow it to the junction with Branch Rd.
3miles/4.8km	110yds/100m	Cross Branch Rd, with Limehouse DLR station on your left, and walk to the right of the elevated railway tracks, until you reach a footbridge crossing the Regent's Canal. Turn right, keeping Limehouse Basin to your right, and the viaduct carrying the Docklands Light Railway to your left. Look out for a lock, on your left, which marks the start of the Regent's Canal.
3.1miles/5km	220yds/200m	Turn left to follow the towpath that runs along the right-hand bank of the Regent's Canal. Follow the canal towpath until you reach the bridge that takes Old Ford Rd over the water.
4.6miles/7.4km	1.5miles/2.4km	Walk up to Old Ford Rd, cross over and enter Victoria Park. Turn right in Victoria Park and follow the wide tarmacked path that runs to the left of the lake, along the right-hand border of the park.

4.8miles/7.8km	440yds/400m	As you approach Grove Rd, which cuts across the park, follow the wide tarmacked path as it bears left, and look out for an exit on your right after 30yds that takes you out to Grove Rd, where a pedestrian crossing takes you over to enter the other half of Victoria Park via Jubilee East Gate. After 50m, at a junction of paths, take the route almost directly ahead of you, signposted Queen Elizabeth Olympic Park and The Greenway. As you walk you will see a sign for St Mark's Gate, which is where you exit the park.
5.5miles/8.8km	0.6miles/1km	When the wide tarmacked path bears left, take the narrower path that goes straight ahead, passing to the left of a block of modern houses, through a car park, to leave via St Mark's Gate and come out at Cadogan Terrace.
5.6miles/9km	220yds/200m	Cross Cadogan Terrace and go through the gap in the wall that is slightly to your right. You are now on the towpath of the Hertford Union Canal
5.9miles/9.5km	550yds/500m	Where the Hertford Union Canal meets the Lea River Navigation, turn left. A sign points to Lee Valley Park. Diagonally to your right at this water junction you will see the Olympic Stadium, now home to West Ham United.
6miles/9.6km	110yds/100m	Where White Post Lane crosses over the canal, walk up from the towpath, turn right to cross the canal, and turn right again to descend to the right bank of the River Lea Navigation. Turn right again on this towpath to continue in the same direction you were following before crossing the bridge. A sign on a post announces you are on Route 1 National Cycling Network. The Capital Ring also follows our route up to Lea Bridge, where it crosses to the other bank.
7.8miles/12.5km	1.8miles/2.9km	Shortly before Lea Bridge the towpath crosses via a footbridge to the left-hand bank of the River Lea Navigation. A sign on this side points to Lea Bridge 1/4mile. The <b><i>Princess of Wales</i></b> pub is beside the towpath, just before the bridge that takes the A104 over the waterway. Continue along the path.
8.4miles/13.6km	0.7miles/1.1km	The <b><i>Anchor and Hope</i></b> pub is beside the path. Just after the pub, the path diverts from the river's edge slightly for 200yds to follow Spring Ln, before returning to the riverbank.
8.6miles/13.9km	330yds/300m	At Horse Shoe Bridge, continue along the left bank of the canal. Our route is marked by a signpost indicating Tottenham Hale 1.5miles
9.4miles/15.1km		<i>For the Fountain Hotel, leave the route at Markfield Park at which point the hotel is 1 mile/1.6km west of the route. Navigate via Google or Apple maps.</i>

10miles/16.1km	1.4miles/2.2km	At Tottenham Locks keep straight on, following a sign for Upper Edmonton. The sign also indicates that Tottenham Hale tube and overground rail station is up the ramp to the left. <b>THIS IS A GOOD POINT TO SPLIT THIS STAGE IN HALF.</b>
10.7miles/17.2km	0.7miles/1.1km	Reach Stonebridge Lock. <i><b>Waterside Cafe</b></i> , with toilets. Continue along the path.
11.4miles/18.3km	0.7miles/1.1km	At Chalk Bridge, the route crosses over from left to right bank of the River Lea Navigation. A sign headed Tottenham Marshes points the way, indicating Lee Navigation, Lea Valley Walk and National Cycle Network 1. Shortly after this you cross beneath the many lanes of the A406 North Circular road.
12.9miles/20.7km	1.5miles/2.4km	At Pickett's Lock, keep straight on.
14miles/22.5km	1.1miles/1.8km	At Ponders End Lock, keep straight on. A sign indicates: Waltham Abbey 3 1/2miles.
15.9miles/25.6km	1.9miles/3.1km	At Enfield Lock, on the outskirts of Bishop Waltham, cross to the left bank of the River Lea Navigation via the road bridge, and continue along the high bank, with South Ordinance Rd below you to your left.
16.1miles/25.9km	330yds/300m	<i><b>The Greyhound</b></i> pub is on your left.
16.7miles/26.9km	0.6miles/1km	At Rammey Marsh Lock, the <i><b>Narrowboat Cafe</b></i> is indicated (during opening hours) with an A-board pointing right across the River Lea Navigation. It caters for boat travellers and offers a laundry and showers.
16.9miles/27.2km	330yds/300m	Pass beneath the M25
17miles/27.4km	220yds/200m	Leave the towpath, climbing up to the A121, Station Rd. Turn right for Waltham Abbey. You will see its church in the distance.
17.7miles/28.5km	0.7miles/1.1km	Reach the site of <b>Waltham Abbey</b> , and the surviving <b>Abbey Church</b> .
