

PRACTICAL INFORMATION

ROUTE OVERVIEW

10.5 miles (16.9km)

This is a short, easy stage with good services and transport links at the start and end. There is nowhere to eat or stay between the two at Santon Downham, but there are public toilets in the car parks. You would need to use a bus or taxi to divide this section into two shorter ones.

This comparatively short stage begins by taking in the pilgrim highlights of Thetford, then follows the St Edmund Way alongside the River Little Ouse before a short climb to a forest stretch, reaching St Helen's Oratory and Holy Well in **5.4 miles**. There is a descent to cross the Little Ouse, then a walk along forest tracks and a lane via All Saints, to reach St Mary's, Santon Downham in a further **1.9 miles**. The route leaves the St Edmund Way at this point.

From Santon Downham, the path is once again alongside the river, now following the route of the Little Ouse Path, reaching Brandon in **2.9 miles**, then following High St (A1065) to the end of the stage at Brandon's railway station, reached in a further **0.3 miles**.

Public transport options

This stage is well connected by both **train**, with stations at Thetford and Brandon, and **bus**, with services including the No 40 Thetford to Kings Lynn, the No 84/86 Brandon to Bury St Edmunds and the No 200/201 Thetford to Mildenhall, of which four buses a day travel via Santon Downham. There are two car parks in Santon Downham where a car could be left or a taxi pick-up arranged. St Helen's Trail car park (toilets; open summer only, dawn-dusk; IP27 0TJ) just past All Saints church; and at the Forestry Commission Offices (toilets; 9am-4pm; off Mark Ln IP27 0TJ) just before the lane crosses the river Little Ouse.
